

# Ballet Show

Our shows are a huge highlight during the school year and are an unforgettable experience for our students and their families. If the circumstances allow, we will do everything possible to have a ballet show where at least some family members can watch. For our last ballet show (May 2021), we put on 30 separate shows (one per class) in the theatre, with full costume, make up, hair etc. This allowed for each student to invite 5 family and friends to watch them perform at the theatre.

## PARTICIPATION

Participation is not obligatory but highly encouraged. Each student will be **automatically** in the show unless you let us know in writing (email or whatsapp) that your child cannot or does not want to participate. You must let us know by the end of January at the latest, if your child is not participating in the show. If they are participating, no need to notify us.

THEME: Sleeping Beauty

DATE: May or June most likely. To be announced.

## PERFORMANCE FEE

There is a CHF 47.- fee for all students who participate in the show. This will be automatically added to the 2nd trimester payment. If there is no show, there is no fee. This fee is to partially cover the following costs:

- **Video** recording and editing of the show with unlimited online access for you
- **Costume use:** wear and tear, washing, steaming, size adjustment etc (we keep the costumes)

# Right to Image

During our classes and shows lots of photos and videos are taken for you to have as memories and for us to use as well. Follow us on Instagram @piriballet to see some of our pictures.

Unless otherwise specified by the child's legal representative, **Piri Ballet reserves the right to use photographic or filmed images** in progress or during the classes or shows for fundraising, publicity or other purposes to help achieve Piri Ballet's aims. This might include (but is not limited to), the right to use them in their printed and online publicity, social media, press releases and funding applications.
